EARMARK DECLARATION

HON. J. GRESHAM BARRETT

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 15, 2009

Mr. BARRETT of South Carolina. Madam Speaker, pursuant to the Republican Leadership standards on earmarks, I am submitting the following information regarding earmarks I received as part of the House passed version of H.R. 3183, the Energy and Water Development and Related Agencies Appropriations Act, 2010.

Requesting Member: Congressman J. GRESHAM BARRETT

Bill Number: H.R. 3183

Provision: Title II, Department of Energy, Energy Efficiency and Renewable Energy

Legal Name of Requesting Entity: University of South Carolina Aiken

Address of Requesting Entity: 471 University Parkway, Aiken SC 29801

Description of Request: The purpose of this appropriation is to provide \$456,000 for the University of South Carolina Aiken, USCA, Biofuels Laboratory in Aiken SC. A key element to solve U.S. energy supply problems is the development of renewable fuels such as hydrogen, and one of the most environ-

mentally friendly ways that hydrogen can be produced is biologically by bacteria. For the past year, the USC, with the support of the Aiken/Edgefield Economic Development Partnership has engaged in research at the Aiken County Center for Hydrogen Research to isolate and develop bacteria that generate large amounts of hydrogen. Also, USCA has been working on the process of embedding bacteria with high hydrogen production potentials into latex mats that can be used to produce hydrogen. The requested funds will enable USCA to become a full partner in the establishment of a bio-energy research center. Specifically, the funding will allow USCA to purchase equipment that will make it possible to screen hundreds of bacterial isolates in a short period of time and to fund a full-time laboratory technician. I certify that this project does not have a direct and foreseeable effect on the pecuniary interests of me or my spouse.

Requesting Member: Congressman J. GRESHAM BARRETT

Bill Number: H.R. 3183

Provision: Title II, Department of Energy, Energy Efficiency and Renewable Energy

Legal Name of Requesting Entity: Clemson University

Address of Requesting Entity: 300 Brackett Hall, Box 5702, Clemson University, Clemson SC 29634

Description of Request: The purpose of this appropriation is to provide \$1,000,000 for the construction and operation of the Clemson University Cellulosic Biofuel Pilot Plant to be built in Charleston, SC. As our nation looks to expand our renewable energy portfolio, this funding would be used to construct and operate a pilot plant at a brownfield industrial site in Charleston SC, to scale-up commercially viable technology for conversion of cellulosic feedstocks from the coastal plains, i.e. trees, wood residuals, and row crops, to bio-fuels and other higher value products. Clemson has partnered with the Savannah River National Laboratory and South Carolina State University to bring together complimentary strengths that support a vertically integrated systems approach addressing issues from feedstock to consumer distribution. I certify that this project does not have a direct and foreseeable effect on the pecuniary interests of me or my spouse.

Requesting Member: Congressman J. GRESHAM BARRETT

Bill Number: H.R. 3183

Provision: Title I, Corps of Engineers Investigations

Legal Name of Requesting Entity: U.S. Army Corps of Engineers, Savannah District

Address of Requesting Entity: 100 W. Oglethorpe Ave., Savannah GA 31401

Description of Request: The purpose of this appropriation is to provide \$1,000,000 for Phase II of the Savannah River Basin Comprehensive Study. Section 414 of the Water Resources Development Act of 1996 (PL 104-303) authorized a Savannah River Basin Comprehensive Water Resources Study in order to develop an updated plan addressing current and future needs in the basin, examine reallocation of storage at Corps of Engineers multi-purpose projects, and to develop a better management structure to address basin water resources issues. The study was initiated in 2000 upon agreement by the Corps and the states of Georgia and South Carolina. However, federal funding for this project has not

been appropriated by Congress since fiscal year 2006, and Phase II of the study has yet to be completed. The completion of the second phase of the Comprehensive Study will generate new operating guidelines for the allocation of the water stored at the three Federal reservoirs in the Savannah River basin, possibly changing the water allocations for hydropower, water supply, and flood damage reduction. I certify that this project does not have a direct and foreseeable effect on the pecuniary interests of me or my spouse.

IN HONOR AND RECOGNITION OF
DAVID O. FRAZIER

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 15, 2009

Mr. KUCINICH. Madam Speaker, I rise today in honor and recognition of David O. Frazier, actor, singer, author and lyricist, on the occasion of his 70th birthday, and in recognition of his recent induction into the Cleveland Playhouse Hall of Fame for Outstanding Achievement in Theatre.

Mr. Frazier began his entertainment career as a child, under the instruction of piano teacher Nelly Kelly, the aunt of Princess Grace of Monaco. During his teenage years, he learned about hard work by picking cotton in Texas. As a young man, fate guided him to Cleveland, where he began his professional career at the Cleveland Playhouse. Mr. Frazier has appeared in over 150 productions. Moreover, Mr. Frazier's unwavering commitment and advocacy on behalf of the arts was a crit-

ical factor in saving the Cleveland Playhouse from demolition. His appearance in the record-breaking two and a half year run in the production of "Jacques Brel is Alive and Well and Living in Paris" at the Playhouse Square Foundation stopped the demolition of and revived Cleveland's five historic theatre houses. Today, Playhouse Square is the second largest performing arts complex in the nation.

Mr. Frazier has performed on private and public stages around the world, singing, dancing and writing his way into the hearts of audiences ranging from accomplished writers and actors, heads of state, and thousands of theatre patrons. He co-wrote his one man show, "Conversations with an Irish Rascal," with his partner and collaborator of more than thirty years, Joe Garry. Together, Mr. Frazier and Mr. Garry have co-written and co-produced fifteen original musicals. Mr. Frazier also appeals to young audiences in his starring role on NBC's children series, "Hickory Hideout," for which he was awarded an Emmy Award.

Madam Speaker Colleagues, please join me in honor of Mr. David O. Frazier, whose passion for music, limitless talent and unwavering dedication to the theatre has served as a source of entertainment and inspiration for audiences in Cleveland, Ohio and throughout the world. Furthermore, his dedication to promoting and preserving theatre in Cleveland has enriched the diverse culture of the entire community. HONORING COLONEL VAN R.
MAYHALL ON THE OCCASION OF
HIS 90TH BIRTHDAY

HON. BILL CASSIDY

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 15, 2009

Mr. CASSIDY. Madam Speaker, I rise today to lead the 111th Congress of the United States of America in honoring Colonel Van R. Mayhall, USAR (Ret.), on the occasion of his 90th birthday.

Born near Baton Rouge, Louisiana on July 24, 1919, Van Robinson Mayhall has lived in Baton Rouge nearly all his 90 years. In fact, the longest he was ever away from home was while fighting to defend America overseas. Colonel Mayhall graduated from Catholic High School and attended Louisiana State University until the outbreak of World War II. He joined the Louisiana National Guard at age 17, and in December 1941, after the Japanese attack on Pearl Harbor, enlisted in the United States Army. He rose to the rank of Captain in the European Theater, serving as aide to General William Weaver and seeing combat in France and Germany, including the Battle of Hurtgen Forest and the Battle of the Bulge. In recognition of his courageous service in combat, Colonel Mayhall received numerous awards and honors, including the Bronze Star and the Silver Star for his bravery under enemy fire. Colonel Mayhall was honorably discharged from the Army following the war, and his commitment to his community and his country continued. Then-Captain Mayhall remained in the Army Reserves until retirement, achieving the rank of Colonel.

After his five year deployment, he was reunited with his wife, Marie Roques Mayhall, with whom he raised five children, fourteen grandchildren, and two great-grandchildren, with one more on the way. He fully dedicated himself to the Baton Rouge community, volunteering on behalf of his church, military and veterans groups, and charitable organizations. In 1999, his own World War II memoir, Cranking Up A Fine War, was released and received favorable reviews. In 2006, in recognition of an extraordinary lifetime of service and achievements, he was inducted into the Louisiana Veterans' Hall of Honor.

Colonel Mayhall's life is a testament to the spirit of the Greatest Generation. It is also an ongoing tribute to his brothers in arms who never returned home to live the American dream as Colonel Mayhall has. It is a great honor that the position to which I have been elected offers me the opportunity to lead the Congress of the United States of America, on
